One of the most important ways you can get involved is by raising awareness. Educate yourself on child rights and reach out to the community. An easy way is through social media. Every time you like, share or retweet messages of our awareness campaigns and projects, you are choosing to advocate for the rights of the child.

Keep informed and help share our work through:

- Joining the ARC Facebook group
- Following @ARC\_maldives on Twitter
- Sharing ARC's profile and annual newsletter

You can also work for the protection and promotion of the rights of children in the Maldives by choosing to volunteer for one or more of the following committees:

- Admin and Finance Committee
- Campaigns and Projects Committee
- Fundraising Committee
- Policy, Planning and Research Committee
- Public Relations Committee
